## Presidents Welcome

One of the great joys I find in attending any Agricultural show is the ability to communicate and network with a wide cross section of the community. Shows seem to be that often one time in a year when people are prepared to sit down and have a chat.

The Australian Agricultural show is engrained in our Australian way of life it is culture for all. However it does carry some responsibilities as a community.

This year our Coffs Harbour show theme is Women in Agriculture and we invite all women to show their talents whether that be competing in the ring events, exhibiting works of art, fruits of the garden or parading livestock. We pay very little attention to women in agriculture despite the enormous contribution they make. While worldwide women account for 50% of the agricultural workforce in Australia it is significantly however but often neglected is the off farm "contribution made by women who seek outside work to financially support the family involvement in agriculture. Here at the 2017 Coffs show we salute our "Jewel" Frances Blake who now over 90Yrs of age has decided to "step back" from the Ladies Committee but Frances will be there working hard as usual.

I am often confronted with the statement that "we don't attend our show because it is too dear". Recently Coffs Harbour has had a string of outside attractions Motocross, a circus etc. I ask that you look carefully at what they charged per head for 2-3 hours of entertainment and compare that to a three day family show pass. Your Coffs Harbour show comes out cheaper for a family and we provide three days of exhibitions, attractions and displays.

See you at the show

Christopher Pearson

# SECTION 14 FLOWERS & PLANTS

**STEWARDS:** Members of the Coffs Harbour Garden Club

**ENTRY FEE:** \$2.00

**PRIZE:** 1st \$6.00, 2nd \$3.00, unless otherwise stated

**RIBBONS:** to 2<sup>nd</sup> place

Prize money will only be awarded to 1<sup>st</sup> place if 3 or more exhibits are entered in that class. Prize money will only be paid to 2<sup>nd</sup> place if 4 or more exhibits are entered in that class.

Judges are looking for what is typical of the flower or plant, free from disease, insect or other damage, clean and **fresh**. Judges may, at their discretion, award 1<sup>st</sup> and/or 2<sup>nd</sup>, and/or make Highly Commended Awards. Judges also have the discretion to make no prize or award in a Class if, in their opinion, there is no exhibit in that Class worthy of a prize or award.

All plant material must have been grown by the exhibitor. All plants must have been in the exhibitor's possession for at least 90 days prior to show. Please label exhibits. This is important as the purpose of a Show is education as well as competition and other exhibitors and the public may be interested in growing varieties that have been exhibited. If unknown, write on exhibit tag 'Name Wanted Please' and there may be someone who can assist you in naming that exhibit. For pots both the scientific name and common name is desired. In the Bonsai Classes, the age of the Exhibit should be included with the name.

There are bottles provided (soft drink bottles); however, you may use a container of your own choice. This container **must** be of clear glass for the cut flower classes. Specimen flowers must have their own stem and foliage. No stems longer than 70cm please. Pack the stem in the bottle neck using kitchen towel or oasis so that the stem is held firm for judging and display purposes.

Foliage plants are judged on the quality and appearance of leaves and stems. Flowering plants are judged for their display of flowers but should not show obvious foliage damage. Do not put oil on leaves of plants, leaves should be cleaned of all dirt but not coated in anything.
