President's Message

The traditions of Australian Country Shows continue to provide our community with a sense of achievement in that they can display via competition the results of either hundreds of hours of preparation or with the equine section often a lifetime of participation.

Often someone who we see competing in the ring has started in the Pony Club movement as a young child who was led on their pony by a willing parent.

The result of interest in horses has then led to what is often a lifetime group of friends united by the common cause of love of horses.

While our show celebrates over 100 years of existence, as Coffs Harbours longest running community event, the horse has been with mankind since recorded history. The value of horses has been demonstrated in war as only a few weeks ago we were commemorating ANZAC Day and our history has amortised the role of horses in helping our troops.

Our show is the Coffs Harbour Agricultural Show and again our horses have played an important role in agriculture as a beast of burden, a live machine in the fields and a very vital role as transportation.

As you watch our participants in the rings at the 2022 Coffs Harbour Show spare a thought for the horse who has survived wars, famine, bushfires, droughts, diseases, abuse and now the opportunity continues for these magnificent animals to entertain us.

Our thanks to all those who prepare the horses and to the riders we thank them for giving us this great opportunity to enjoy one of great beasts of the animal kingdom.

Christopher Pearson
Coffs Harbour Show President

Open Champion Boy or Girl Rider under 17 years

“Whoever wins this trophy and prize money will have worked hard for it. Just sitting on a horse and looking good doesn't cut it. The Judge can see when the person in the saddle is riding the horse. A good mount will usually know what to do however the rider has to demonstrate that he or she is in charge and that the horse is responding to the subtle commands being transmitted via the hands, the seat and the legs.

Of course, a lot of credit has to go to the parents who give the time and attention necessary for the young rider and horse to really enjoy their partnership.” Margaret Beckett.
