## Presidents Welcome

One of the great joys I find in attending any Agricultural show is the ability to communicate and network with a wide cross section of the community. Shows seem to be that often one time in a year when people are prepared to sit down and have a chat.

The Australian Agricultural show is engrained in our Australian way of life it is culture for all. However it does carry some responsibilities as a community.

This year our Coffs Harbour show theme is Women in Agriculture and we invite all women to show their talents whether that be competing in the ring events, exhibiting works of art, fruits of the garden or parading livestock. We pay very little attention to women in agriculture despite the enormous contribution they make. While worldwide women account for 50% of the agricultural workforce in Australia it is significantly however but often neglected is the off farm "contribution made by women who seek outside work to financially support the family involvement in agriculture. Here at the 2017 Coffs show we salute our "Jewel" Frances Blake who now over 90Yrs of age has decided to "step back" from the Ladies Committee but Frances will be there working hard as usual.

I am often confronted with the statement that "we don't attend our show because it is too dear". Recently Coffs Harbour has had a string of outside attractions Motocross, a circus etc. I ask that you look carefully at what they charged per head for 2-3 hours of entertainment and compare that to a three day family show pass. Your Coffs Harbour show comes out cheaper for a family and we provide three days of exhibitions, attractions and displays.

See you at the show

Christopher Pearson
